Reasons

Background

3. On 31 May 2018 pursuant to section 58 of the Act, The Darwin Festival Limited (**the Applicant**) lodged an application with the Director-General for the grant of a special licence to permit the sale of liquor to patrons attending the '2018 Darwin Festival: Spiegeltent Site' on performance nights over the period of 9 to 26 August 2018. The application was then referred to the Liquor Commission and to me pursuant to my delegation to deal with such special licence applications.
4. 2018 Darwin Festival: Spiegeltent Site is a public site for ticket holders and other members of the public to relax prior to and following performances being held in the Spiegeltent during the Darwin Festival.
5. The Darwin Festival is a multi-arts festival that takes place across 18 days and 17 nights in Darwin and surrounds. The Spiegeltent will host 22 performances of "Limbo", a cabaret-circus show performed inside the tent.
6. The Applicant estimates 500 – 1,000 persons will attend the Spiegeltent Site on each performance night. Minors are permitted at the event.
7. Specifically, the Applicant is seeking a special licence for the following hours of trade:

Thursday, 9 August 2018 from 1700 hours to 2200 hours;

Friday, 10 August 2018 from 1700 hours to 2359 hours;

Saturday, 11 August 2018 from 1700 hours to 2359 hours;

Sunday, 12 August 2018 from 1700 hours to 2359 hours;

Tuesday, 14 August 2018 from 1700 hours to 2200 hours;

Wednesday, 15 August 2018 from 1700 hours to 2200 hours;

Thursday, 16 August 2018 from 1700 hours to 2200 hours;

Friday, 17 August 2018 from 1700 hours to 2359 hours;

Saturday, 18 August 2018 from 1700 hours to 2359 hours;
Sunday, 19 August 2018 from 1700 hours to 2200 hours;
Tuesday, 21 August 2018 from 1700 hours to 2200 hours;
Wednesday, 22 August 2018 from 1700 hours to 2200 hours;
Thursday, 23 August 2018 from 1700 hours to 2200 hours;
Friday, 24 August 2018 from 1700 hours to 2359 hours;
Saturday, 25 August 2018 from 1700 hours to 2359 hours;
Sunday, 26 August 2018 from 1700 hours to 2200 hours.

8. The sale of liquor to patrons at the Spielgeltent Site is proposed via one bar. Beer, wine, cocktails, spirits and cider is proposed to be available for sale as well as water and soft drinks. Additionally, the Applicant indicates beer is proposed to be offered for sale in light and mid-strength alcohol content varieties, as well as full-strength.
9. In relation to security and crowd control arrangements, the Applicant indicated there will be 4 crowd controllers engaged for performances being held on Sundays, Tuesdays to Thursdays and 5 crowd controllers on Friday and Saturday nights.
10. The Applicant has previously been granted special licenses for Darwin Festival events. Licensing NT has informed me that “nil compliance issues are evident on file for the Darwin Festival in recent years”.

Consultation

11. As this is an application for a special licence there is no requirement under the Act for advertising of such an application, nor is there provision for formal objections to be made concerning such an application. Despite this, a “usual practice” has developed for the Director-General to consult with relevant stakeholders concerning the application, namely the Department of Health (**DOH**), NT Police, Fire and Emergency Services (**NT Police**) and NT Fire, Rescue Service (**NTFRS**) and seek their comment. With respect to this application:
 12. DOH advised it had not adverse comment.
 13. The NTFRS indicated no objection on the proviso that a temporary occupancy certificate is issued by a qualified certifier and a Fire Safety Inspection is conducted by an NTFRS officer prior to the event.
 14. The NT Police advised that it “...*supports the application contingent to Industry standard security for crowd numbers.*”
 15. I will address these comments below.

Assessment of the Application

16. As noted above, this is an application for a special licence under section 58 of the Act within Part VI of the Act. There are no specific criteria prescribed by the Act for consideration of an application for a special licence. Special licences exist under Part VI of the Act and are therefore not part of the definition of “licence” pursuant to section 4 of the Act, namely “a licence issued under Part III” of the Act.
17. As a result, it has previously been determined by this Commission that an application for a special licence is **not** a licence with respect to which I am bound to apply the public interest and community impact test under section 6 of the Act.
18. However, pursuant to section 3(3) of the Act, the Commission when “exercising a power or performing a function under (the Act) must have regard to the objects of the Act and must exercise the power and perform the function in a way that is consistent with those objects”.
19. Section 3 of the Act identifies the “objects” as follows:
 - “(1) The primary object of this Act is to regulate the sale, provision, promotion and consumption of liquor:
 - (a) so as to minimise the harm associated with the consumption of liquor; and
 - (b) in a way that takes into account the public interest in the sale, provision, promotion and consumption of liquor.
 - (2) The further objects of this Act are:
 - (a) to protect and enhance community amenity, social harmony and wellbeing through the responsible sale, provision, promotion and consumption of liquor;
 - (b) to regulate the sale of liquor in a way that contributes to the responsible development of the liquor and associated industries in the Territory; and
 - (c) to facilitate a diversity of licensed premises and associated services for the benefit of the community.”
20. As a delegate of the Commission, I am also bound to have regard to the objects of the Act when determining this application.
21. I note NTFRS’ position above and confirm that the Applicant will need to follow that directive.

22. In respect to the NT Police request for crowd controllers at industry standards, the Applicant initially indicated that 4 crowd controllers would be engaged for the Spiegeltent Site for performances being held on Sundays, Tuesdays to Thursdays and 5 crowd controllers on Friday and Saturday nights. This was the same as required under the special licence issued in 2017.
23. After considering the NT Police request, the Applicant agreed to increase those numbers by one and accordingly, will now provide 5 crowd controllers on Sundays, Tuesdays to Thursdays and 6 crowd controllers on Friday and Saturday nights. The Applicant has asked that as permitted under the 2017 special licence that they are able to “monitor crowd numbers and decrease security personnel in line with the industry standard if the patronage is decreased”.
24. NT Police have indicated that they satisfied with the Applicant’s revised crowd controller numbers. After considering the materials before me, I am also satisfied that the numbers of crowd controllers will be sufficient to effectively monitor and control patrons at the Spiegeltent Site and confirm that the Applicant can reduce the crowd controller numbers in accordance with industry standards should it be appropriate.
25. The main drawcard to the Spiegeltent Site is the cabaret-circus performance itself, with the supply of alcohol being a very ancillary feature. Each year, the Applicant provides through the Darwin Festival program an important cultural entertainment offering to both Darwin locals and visitors alike. The Applicant has a track record of being able to well manage these types of events with no compliance concerns raised by Licensing NT or NT Police from previous years.
26. It is as a result of the matters outlined above that I am, on balance, satisfied that the objects of the Act have been sufficiently addressed and for the reasons outlined I have decided to grant the special licence as set out at the start of this Decision Notice.

Notice of Rights:

27. Section 120ZA of the Act provides that a reviewable decision is a Commission decision that is specified in the Schedule to the Act. A decision to issue a special licence subject to condition pursuant to section 59 of the Act is specified in the Schedule and is a reviewable decision.
28. Section 120ZC of the Act provides that a person affected by this decision may seek a review before the Northern Territory Civil and Administrative Tribunal. Any application for review of this decision must be lodged within 28 days of the date of this decision.

29. For the purpose of this decision, and in accordance with section 120ZB(1)(b) and (c) of the Act, the affected person is the Applicant.
