#### DECISION

1. On the basis of the information provided in relation to this matter and with reference to sections 48 and 60 of the *Liquor Act 2019* (the Act), I have determined to approve a liquor licence with a community club authority, for the licensee Alyangula Police Social Club, for the premises located at Ayawurra Street, Alyangula, NT.
2. The grant of the licence is conditional upon the licensee surrendering their existing liquor licence for the same premises, FLL1325 which is a community event authority.

#### BACKGROUND

3. Alyangula Police Social Club is the licensee for liquor licence FLL1325, with a community event authority, for premises known as Alyangula Police Social Club located at Ayawurra Street, Alyangula.
4. Pursuant to section 52 of the Act, Ms Melissa Bridgemen on behalf of Alyangula Police Social Club lodged an application for a new liquor licence with a community club authority for the premises situated at Ayawurra Street, Alyangula.

#### CURRENT SITUATION

5. A problem arose recently where the licensee sought to have the trading hours extended for licence FLL1325.
6. It was acknowledged the Act no longer catered for a community event authority and better matched a community club authority pursuant to Regulation 45 of the

Regulations which state the "...hours of operation for a community club authority are the hours specified in the authority issued to the licensee".

7. It was also submitted by the licensee, in the event a licence is granted with the community club authority, licence FLL1325 will be surrendered.
8. The licensee has provided the following materials in support of the application:
  - an affidavit made under section 54;
  - the application fees.

## ADVERTISING AND OBJECTIONS

9. In pursuance of section 57(2A) of the Act, as a delegate of the Director of Liquor Licensing I determined the application disclosed no public interest issues, and exercised my discretionary power to exempt the matter from public notice.
10. As the application was exempt from public notice no objections were received from the public.
11. The exemption notwithstanding, the application was notified to the Commissioner of Police, the Chief Executive Officer of the Department of Health and the Chief Executive Officer of the Gemco Mining Company (Groote Eylandt) in pursuance with section 56(4) of the Act.
12. No stakeholder provided any adverse comments or objections to the application.

22. As an existing licensee and nominee having previously undergone probity investigations by the Director of Liquor Licensing, I am satisfied both meet the requirements.

#### PUBLIC INTEREST AND COMMUNITY IMPACT

23. Section 49 of the Act requires the decision maker to be satisfied the applicant is fit and proper, the licence or authority is in the public interest and will not have a significant adverse impact on the community.
24. The first branch of the requirement has already been addressed and satisfied.
25. It remains to consider whether the application is in the public interest, to do so consideration must be given to the objectives prescribed in section 49(2) of the Act which include:
  - a. minimising the harm or ill-health caused to people, or a group of people, by the consumption of liquor;
  - b. ensuring liquor is to be sold, supplied, served and consumed on or in licensed premises in a responsible manner;

  - i. preventing the practices that encourage irresponsible drinking;
  - j. reducing or limiting increases in anti-social behaviour.
26. In determining whether there would be a "...significant adverse impact on the community" section 49(3) of the Act requires the Commission to consider the following:
- a. the risk of undue offence, annoyance, disturbance or inconvenience to persons who reside or work in the vicinity of the proposed licensed premises or who are using, or travelling to or from, a place of public worship, a hospital or a school;
  - b. the geographic area that would be affected;

  - h. the effect of the volume of liquor sales on the community;
  - i. the community impact assessment guidelines issued under section 50;
  - j. any other matter prescribed by regulation.
27. The Act is clear in that the applicant bears the onus of satisfying the decision maker of the relevant matters, irrespective of whether no objections were received as is the case in this matter.
28. In relation to the issue of the community impact and public interest, those matters have previously been published under section 6A of the *Liquor Act 1978* and in force immediately before the commencement of the Act, and are taken to be community impact assessment guidelines issued under section 50 of the Act.

29. Those matters remain as previously published in numerous decisions by the Liquor Commission.

## CONSIDERATION
